Dear John

I was so busy on the evening of the 6th inst that I had not time to Post it, "at least I forgotto it" Therefore as this is sunday and I have nothing to do I thought I as it is Sunday I would sit down down and have a chat with you upon things in general I might begin by saying that there is an awful dif-ference between the sundays here & the Sundays east or in "Ontario" there it is peace & quiteness, here it is the wildest day in the week

I was just thinking to
day how nise it would
be to have chance to go to
Church on sundays, instead
of seeing everybody going
around with a pistol or 2
strung to there belts. I would
like very much to be home
& strole around with old ac-
quaintences I know I would
enjoy it. I am like a caged
bird just watching my
opportunity to get out
for a few weeks, but the
cage is to strong, & the dores
Keept locked therefore I
must stay a little longer.
I receive very few letters from
Ontario more from you then
all the rest. I hope you Keep
on doing as you have done & induce
others to do the same - With Love
I am Your Bro. J. McKilgour J.P.
